

Central Park

Play ground

Walking

Patio space for games, imagination activities

Courtyard near Weitz

Weitz Center for Creativity

Visit the Perlman

Cinema

-Obviously verify that the movie is appropriate!

-Consider bringing popcorn and other ways of making it feel like a real theater-going experience

Stop by the **Dacie Moses House** (open every day from 6am-12am) for cookies!

Games

Piano

Ingredients and baking supplies

-Recipes

-Provide a great opportunity to practice sharing, by taking only what you need, and responsibility, by cleaning up after yourself

In the wintertime, drink hot chocolate with marshmallows in **Burton** (if mentor has the meal plan with guest passes)

Sayles-Hill Campus Center

Pool and foosball

Snacks from the café

Visit KRLX's Record Libe during open hours

Nook Activity outside the Office of Health Promotion (Sayles 162)

Games (in closet by entrance) and art supplies (above the student worker computers), like chalk, paint, etc., are available to borrow from the CCCE office during the hours of 9-5 M-F

-Let the desk worker know that you're with Project Friendship

Ice skating rink on **the Bald Spot** during the winter

Gould Library

Puzzles and games by the blue coaches at the entrance

Children's books in the Rookery

Nook Activity on the fourth floor

Depending on interest, visit Special Collections, if they have a showing, or the Archives

Anderson/Olin/Hulings

Aquariums

2nd Hulings balcony is also great for throwing paper airplanes/parachutes/etc.

Makerspace (Makerpedia)

-What you can do there

Nook Activity on first floor of **LDC**

Game Room (with pool and foosball) in **Cassat** basement

Swim in the **Cowling** pool

Sledding down the **Bell Field** hill

-Even just rolling down it or Myers's hill could be silly

Lyman Lakes

Fishing

Makes s'mores on the island fire pits

Recreation Center

Check out snow shoes, cross country skis, basketballs, or pickleball sets

Bouldering, racquetball, and squash rooms

Climbing wall

Arb walks

-If they're artsy, bringing CCCE art supplies to draw what they see

-**Japanese Garden** would be another good place to do that

-Bird-watching Club, depending on when their walks are

-Plant identification, by checking out a book from Libe perhaps

Miscellaneous locations:

Knights match

CANOE activities (some require a waiver, so verify beforehand whether it does)

Acapella shows

If there are any subjects they're interested in, check out events for that department

Gymnastics Club

Arts Calendar (Carleton and Regional Events)

In general, keep an eye out for posters on bulletins advertising campus events!

***STEM-oriented activities**
